Are You Ready For Hong Kong Pride?

LGBT+ PROGRAMMES

LGBT+ 101

Create awareness, educate and equip participants with an understanding of key concepts and useful terminology relating to LGBT+ inclusion in specific markets or regionally across APAC.

LGBT+ 201

A training session designed for those more advanced on their LGBT+ Inclusion journey, LGBT+ 201 will examine the cultural context of LGBT+ related topics across Asia, using the right pronouns at work and understanding Rainbow Families and how best to support them in the workplace.

LGBT+ Allyship

Creating awareness and promoting allyship for all individuals at the workplace so they can be supportive of LGBT+ colleagues and gain an understanding of LGBT+ related topics.

Panel Discussion: Personal Branding for LGBT+ Identities

Exploring best practices in personal branding from the perspectives of a diverse panel that includes lesbian, gay and transgender voices. Breaking the stigma and discrimination that LGBT+ professionals face. Identifying your own network to brand the values of your unique best self in the workplace and community.
