

Launched in 2020, our **LGBT+ Mentoring Programme** aims to increase the number of LGBT+ professionals in the leadership pipeline in Hong Kong in order to influence policy and decision-making across industry sectors.

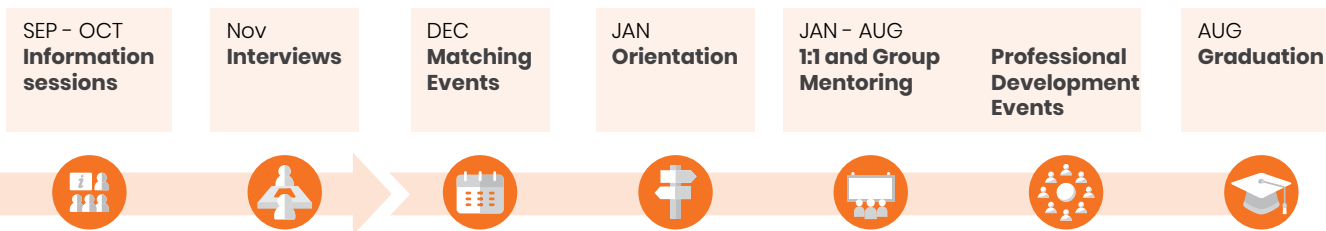

Interest in the programme has been fantastic during the inaugural year:

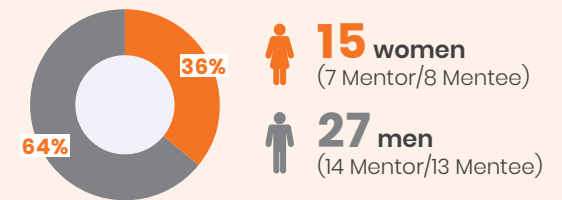

Our cohort this year represents over 15 industries from across Hong Kong:

Programme Timeline

Diverse representation is at the heart of our work at Community Business and we have strived to ensure that our cohort of mentors and mentees faithfully represents the LGBT+ community in Hong Kong.
